Talked with Miss Wherry re the case of Mrs. [redacted] (see
Journal for 9 Aug.) after discussing the matter with [redacted]
Deputy Personnel Officer, and [redacted]. Having
explained the situation to Miss Wherry, she informed me that she
is satisfied with our explanation and merely desired to find
out what the situation was after Mrs. [redacted] complaint. She
agrees that we should take no action other than what we propose
to do.
